To be eligible to gain an invite to the next pre grading each student must be able to perform all items for their grade (*as shown in the student hand books*). Now is a good time to ask to see your grading card if you have graded before. This will give you info on the points picked up on by Mr Buxton for improvement. We are at week 1 of our rolling syllabus so everyone will recap on each item for their grade in the next couple of months with Mr Gibbs in their grade specific sessions. If you miss a week's training make sure you have a recap with a senior grade prior to the following lesson, also check on the attendance criteria that is relevant to your grade on the web site [www.primarytkd.co.uk](http://www.primarytkd.co.uk)

Thank you Mr Gibbs
